ABOUT THE FACTORY

ABOUT GOVERDHAN GRANITES

Goverdhan Granites, a family-owned business, is a full-service quarry and manufacturer of granite products located in Hubli. Our parent firm which is Goverdhan Granites is a privately owned granite company, opened in Ilkal, Bagalkot District, Karnataka in 1999.

Our company has grown significantly in the granite memorialisation industry over the years by consistently providing high-quality products and service that exceeds our customers' expectations. We are one of the leading Granite dealers, manufacturers, and exporters of Granite slabs and granite mini gang saw slabs. Because we manufacture our products, we have complete control over the quality and, ultimately, the service we provide to our customers. We have display of all varieties of granites, artificial granites, and even a few marble collections in our 16,000 sq. ft showroom.

As a quality-conscious company, we believe in providing high-quality products that meet global standards. We take great pride in providing exceptional services, high quality, and a wide range of products. Our slabs are available in a variety of colours, finishes, and textures for use as countertops, wall cladding, and flooring.

Our ambition is to become the most professional and quality-focused company in our industry. Our mission statement is and always has been that our company will conduct business with integrity and ethics.

Goverdhan Granites has its own cutting-edge facilities and has created a comprehensive line of products that includes granite tiles, granite slabs, cat eye granite slabs, ruby red granite slab, Himalayan blue granite slab, tan brown, safari brown, and all black colour granites, among others. But it's not just about business for us; it's about much more. We have so many employees, all of whom are guided by our guiding principles as we serve our customers.

DETAILS OF JOURNEY

The Department of Commerce, BLDEA's Basaveshwar Arts and Commerce college Basavanbagewadihad organized an industrial visit on 03/01/2024 to GOVARDHAN GRANITES, HANUMASAGAR ROAD, ILKAL-587125 KARNATAKA, India which is a leading domestic player in the granites business.

- The industrial visit was organized for the final year students of BCom
- The intention of visit was to give students a practical exposure to the functional areas of management in a production and manufacturing unit.
- The Head of Department and three teachers accompanied the students. There were 30 students in the group.
- All the arrangements were done by commerce department.

The students boarded the bus at the college gate on 03/01/2024, at 8.30 am. After the breakfast, the team started to the destination. Initially a visit was made to Ilkal saree manufacturing unit near to govardhan granites

industry. Students had good entertainment there. From there the team proceeded to Ilkal granites factory. Where all the students got the knowledge of production process. And then return journey started reached Basavanbagewadi 03/01/2024 at 8.00 pm.

FINDINGS

The knowledge gained from books is always incomplete as far as professional courses are concerned. Supplementing that with practical exposure will always add value to the knowledge level of students. The visit has been successful in this aspect.
