

Competitive Coaching Classes for BA and B.Com Students

- Since there is no facility for the students to be trained and prepared for the various competitive examinations in the surrounding area which is the glaring locational disadvantage of this town, the IQAC has taken initiation to start coaching classes for students in the college itself.
- As an initiative of the IQAC the coaching classes for competitive exams were inaugurated on 11 September 2017.
- About 76 students got enrolled for the coaching classes.
- The classes were run for three weeks in 2017-18.
- During the year 2018-19 the IQAC has made MOU with an external agency for conducting coaching classes.
